character with a single tap across many levels with obstacles &#128185; and cliffs.

Your character runs automatically and only stops when he hits a solid object or a wall.

Tap and &#128185; jump at the right moment to keep your character running in the right direction,

and tap again and hold to &#128185; swing off of platforms with the brown circle.

You must collect all of the coins in the level to successfully &#128185; complete it.
