Welcome to Reel Talent, a 5 reel game with 20 lines
that feature Re-spins, Symbol Storage and Superspins where talented
performers all try to make it to the big stage. Every winning symbol is stored in
the Symbol Storage and a Re-spin is awarded. When three symbols are
stored, the player is awarded a Superspin. The Superspin has three different
levels and only contains the stored symbols. Three different symbols award
the Showtime level, two different symbols award the Big Stage level and if all of the
stored symbols are the same, the player wins the Solo Performance level where
massive wins are guaranteed!
SYMBOL STORAGE
Every winning symbol type on a win line is stored in the Symbol Storage
and a Re-spin is awarded. When three symbols are stored during a game
round the player is awarded a Superspin.
SUPERSPIN
The superspin has three different levels depending on the number of different
symbols that was stored in the Symbol Storage during base game.
3 different symbol types award the Showtime Superspin, 2 different
symbol types award the Big Stage Superspin and 1 type of symbol award
the Solo Performance Superspin. A Superspin will only contain the stored
symbols. All other symbols are not in play during the Superspin. This
greatly enhances the chance of winning and also winning big. In the Solo
Performance Superspin, there is only one type of symbol represented on the
reels, thus giving a full screen of the same symbol.
