Best cod of the modern era, not that that saying much. The campaign was
fun enough, 9, " with interesting ideas such as dialogue options and branching
missions, but overall it's hard to get invested in due to 9, " the state of
the overarching COD storyline. I'm honestly can't tell if this is solely
in the new MW timeline, 9, " a sequel to the old black ops storyline, or some w
eird fusion of the two that drags the old games 9, " into everything.
Not much to say on the MP. I haven't played it since it's year
in the cycle, and games 9, " are hard to find, at least on pc/steam. From what I
remember I enjoyed it, especially the 3v3 mode. the 9, " overall game feel is b
ad compared to the MW games, but I think that's not an issue going forward.
Fun 9, " for the most part, but SBMM makes matchmaking annoying to participate i
n, often having the game openly tell you it's 9, " searching for games with
100 plus ping at times.
Zombies though, Zombies is genuine great. BO 3 is certainly the peak 9,
" of the original zombies formula, but I dare say I almost like this more, game
play wise. It is sadly missing 9, " a lot of the personality of the W@W-BO3, wit
h MP operators as characters instead of a set crew being the 9, " largest proble
m. The HUD does also kinda suck, fine in function but lacking any character in t
he design. Especially compared 9, " to BO3, although I'd say it's still
miles above BO4 with how cluttered that was.
