&lt;p>Best cod of the modern era, not that that saying much. The campaign was  
fun enough, &#127824; with interesting ideas such as dialogue options and bran  
ching missions, but overall it&#39;s hard to get invested in due to &#127824; t  
he state of the overarching COD storyline. I&#39;m honestly can&#39;t tell if th  
is is solely in the new MW timeline, &#127824; a sequel to the old black ops st  
oryline, or some weird fusion of the two that drags the old games &#127824; int  
o everything.&lt;/p>  
&lt;p>Not much to say on the MP. I haven&#39;t played it since it&#39;s year  
in the cycle, and games &#127824; are hard to find, at least on pc/steam. From  
what I remember I enjoyed it, especially the 3v3 mode. the &#127824; overall ga  
me feel is bad compared to the MW games, but I think that&#39;s not an issue goi  
ng forward. Fun &#127824; for the most part, but SBMM makes matchmaking annoyin  
g to participate in, often having the game openly tell you it&#39;s &#127824; s  
earching for games with 100 plus ping at times.&lt;/p>  
&lt;p>Zombies though, Zombies is genuine great. BO 3 is certainly the peak &#  
127824; of the original zombies formula, but I dare say I almost like this more  
, gameplay wise. It is sadly missing &#127824; a lot of the personality of the  
W@W-BO3, with MP operators as characters instead of a set crew being the &#12782  
4; largest problem. The HUD does also kinda suck, fine in function but lacking  
any character in the design. Especially compared &#127824; to BO3, although I&#  
39;d say it&#39;s still miles above BO4 with how cluttered that was.&lt;/p>
