What is Maestro? Maestro is a brand of debit card issued by Mastercard. Maestro cards can be used for in-store payments and for withdrawing cash at ATMs. The card is widely accepted and offers many benefits, including travel insurance and emergency assistance. It is a popular choice for travelers and frequent shoppers.

On July 1, 2024, Mastercard phased out Maestro across Europe. European banks and other card issuers are now transitioning to other card brands. This change affects millions of users who have used Maestro cards for years. It is important for users to check with their banks for more information on the transition.
