<p>It's a really good game it's fun to play and entertaining I like this g

ame because you couldn't make 🍇 sure the sound and there's no sound wit

hout loading up your device or 11 get down so get down so 🍇 it's a real

ly good game it's fun to play and it really entertaining I like this game becaus

e you can 🍇 make sure the sound and there's no sound without increasing

up your device or lowering it so what I would 🍇 like to say is that they

should get quite a bit of an upgrade and stop telling you to continuously

815; get something because during the run because you'd be focusing on your hig

h score instead of something else as it's 🍇 really distracting and take

s up a lot of your time during the run as in addition I would like to 🍇

say that there is quite a couple of good things about this because you can watc

h an advert if you 🍇 wanted to you to get the daily rewards are really

rewarding and you can get a lot of keys which 🍇 would help you speed up

one thing I do not like about this game is how the speed goes up 🍇 as

you run fast I guess that's all the cons and all the pros Plus there's a lot of

kind 🍇 of thing you'd get five of something and you get is money and in

the money the randomising money thing 🍇 is that you didn't after 10,00

0 coins right but usually it is 1000 coins and below which is kind of 🍇
