&Flags is a thinking game where you are presented wit
h a random flag, and you must guess which country it belongs to. Ther
e are six main game modes: 60 Seconds (get as many flags correct as possible in) Tj T* BT

he game will display a flag and you will choose one of the countries listed belo
w as potential answers. The second game mode works similarly but in r
everse: The game will show you a country name and present you with th
ree flags to choose from. The quicker you answer, the more points you will earn.

And the more questions you get right without failing, the higher you
r score can be. What's your streak in Flags? Share the game with
your friends and have a fun competition!
